

Using L^AT_EX

October 5, 2020

1 Basic Math

Inline math, like $V = I \times R$ and the text continues on the same line

2 Math Mode

Maybe you have a bigger result!

$$\int \sin x dx = -\cos x + C$$

Use a pair of $\$$. This has its downsides.

2.1 A more specific equation

ask someone for an equation to typeset
maybe excuse to pull up detexify
